

Requirement for Android Host Device :

- Host device MUST support DisplayPort Alt Mode via USB-C.
- The table below shows the devices that are compatible with J7EF/ J7EF Plus/ J7EF Gaze.
- As the power consumption will rise with some applications, please use the power cable which is the accessory in the box to connect AR glasses and power bank to make it work.
- This list has included but no limited to the other device might support DisplayPort Alt Mode via USB-C which are compatible with J7EF/ J7EF Plus/ J7EF Gaze.

Suggest models of Host Device:

Brand	Model Name	System Recommend	Note	Launch
